

Go Green! Paperless Billing and Payment Options

Are you interested in reducing your carbon footprint? The city offers you the opportunities to do just that. At the City of St. Robert there are 2 different ways of reducing your foot print,

1. Electronic bill or e-bill. All that is needed is for our customers to participate in this is to come to City hall and complete a change of address form that the city utility office has. On this form we will need a good email address.
2. Recycling. The city offers free recycling pick up. Come to our office, sign up and receive up to 3 recycling bins.

eBill		Automatic Payments
Convenient - receive your bill whether you're home or away		Eliminate check writing
