We get you there!

Welcome

Waynesville/St. Robert Regional Airport

The Waynesville-St. Robert Regional Airport is a joint use facility owned by the US Army, cooperatively sponsored by the cities of Waynesville and St. Robert for general aviation and scheduled airline service. Located on Fort Leonard Wood, MO the airport is minutes from museums, restaurants and other unique attractions.

The Waynesville-St. Robert Regional Airport is a towered Class D Airport during normal business hours. After hours and weekends the airport reverts to surface Class G. We are proud to offer the lowest aviation fuel and hangar rental costs in the region. Our airport is not only a great airport for pilots, but it is also a great opportunity for businesses. Come visit us and see all we have to offer.
