In the event a snowplow operator feels a hill is extremely dangerous to plow and is beyond his experience level to manage he will immediately contact the Street Foreman, Street Supervisor, Street Shift Supervisor or Director for instructions. **Until he has contacted one of these individuals, under no circumstances will he proceed.** The Foreman, Supervisor or the Director will either authorize him to continue with great caution or provide a more experienced operator.

Sincerely,

Lyle D. Thomas  
Director of Public Works
